## PJM Regulation Zone Preliminary Billing Data

This feed contains hourly billing data for the PJM Regulation Market. These values are for informational purposes only and are subject to change through the fifth business day of the following month. Note that while Data Miner will make available any data that has been calculated by PJM Settlements, there are occasionally delays in the settlements process that may cause a delay in data availability.

Posting Frequency: Daily  
Update Availability: Daily 05:00 a.m.  
Retention Time: Indefinitely  
Last Updated: 12/9/2023 05:02  
First Available: 10/1/2012 00:00
